

G.A.D

Fårö

Upholstered bench or stool. Available in solid birch or oak and can be painted with Farrow & Ball. Upholstered in fabric of your choice or natural fleece. The bench requires two sheepskins that are carefully matched before being sewn together.

Our birch products are treated with oil that has white pigment added and our oak products are treated with standard oil. There are also other surface treatments available, such as other oils, soft soap and paint, at additional cost.

The stool is 55 cm and the bench 105 cm long.

Fårö was the winner of "Excellent Swedish Design" award in 1999.

Design: Kristian Eriksson
